SIZWE SECHABA MINING

COMPANY PROFILE

Delivering integrated mining solutions
and lasting value.

SIZWE SECHABA
MINING

WHO WE ARE

COMPANY OVERVIEW

Sizwe Sechaba Mining delivers integrated mining solutions across the project lifecycle, combining technical expertise, project support, and practical industry experience to create lasting value for clients.

MINING ADVISORY

Technical studies, due diligence, scoping, and strategic project support.

PROJECT DEVELOPMENT

Planning, engineering coordination, EPC/EPCM support, and owner's team services.

OPERATIONAL EXCELLENCE

Safety-focused execution, cost awareness, sustainability, and performance improvement.

SAFETY | INTEGRITY | SUSTAINABILITY | DELIVERY

SIZWE SECHABA MINING

SERVICES

We offer **end-to-end mining solutions** across the entire mine life cycle.

EXPLORATION & RESOURCE EVALUATION

Geological exploration, resource modelling and reserve estimation.

MINERAL PROCESSING

Comminution, beneficiation and processing plant services.

MINE PLANNING & DESIGN

Strategic mine planning, pit design, scheduling and optimization.

MATERIALS HANDLING

Conveying, stockpiling and bulk materials handling.

DRILLING & BLASTING

Drill and blast services to ensure safe and efficient rock breaking.

HEALTH, SAFETY & ENVIRONMENT

Committed to zero harm and sustainable mining practices.

MINING OPERATIONS

Open pit mining, load & haul, and waste management.

MAINTENANCE & SUPPORT SERVICES

Equipment maintenance, workshop services and technical support.

OUR VALUES

Our values define who we are, how we work and the value we deliver to our clients and communities.

SAFETY FIRST

We prioritize the health and safety of our people, partners and communities.

INTEGRITY

We conduct business with honesty, transparency and strong moral principles.

TEAMWORK

We collaborate, respect and support each other to achieve shared success.

EXCELLENCE

We are committed to high standards, innovation and continuous improvement.

SUSTAINABILITY

We are committed to responsible mining and minimizing our impact on the environment.

ACCOUNTABILITY

We take ownership of our actions and deliver on our commitments.

COMMUNITY

We respect, engage and create shared value with the communities in which we operate.

INNOVATION

We embrace new ideas and technologies to create smarter, safer and more efficient solutions.

OUR CAPABILITIES

We combine technical expertise, advanced technology and experienced people to deliver reliable, efficient and sustainable mining solutions across a wide range of commodities.

EXPERIENCED TEAM

- Multidisciplinary professionals with extensive mining industry experience.
- Strong leadership and hands-on project execution.

ADVANCED TECHNOLOGY

- Use of modern equipment and innovative technologies.
- Data-driven decision making for improved performance.

PROVEN METHODOLOGIES

- Standardized processes and best practices.
- Focus on efficiency, quality and risk management.

OPERATIONAL EXCELLENCE

- Optimized operations for maximum productivity.
- Continuous improvement to deliver value.

SAFETY & WELLBEING

- Zero-harm commitment across all operations.
- Strong safety culture and training.

SUSTAINABILITY

- Responsible mining practices.
- Minimizing environmental impact and conserving natural resources.

STRONG PARTNERSHIPS

- Building long-term relationships with clients and stakeholders.
- Delivering solutions that create shared value.

QUALITY ASSURANCE

- Rigorous quality control and assurance.
- Meeting international standards and client requirements.

OUR PROJECTS & EXPERIENCE

We have successfully delivered a wide range of mining projects across various commodities and geographies.
Our experience spans from early-stage exploration to full-scale operations and mine closure.

20+
YEARS
Industry Experience

50+
PROJECTS
Successfully Completed

10+
COUNTRIES
Global Project Experience

All Major
COMMODITIES
Diverse Commodity Expertise

KEY COMMODITIES

COAL | GOLD | IRON ORE | MANGANESE | CHROMITE | COPPER | AND MORE

PROJECT LIFE CYCLE

EXPLORATION & RESOURCE EVALUATION → MINE PLANNING & DESIGN → DEVELOPMENT & CONSTRUCTION → MINING OPERATIONS → PROCESSING & VALUE ADDITION → REHABILITATION & CLOSURE

OUR COMMITMENT

We are committed to delivering projects safely, on time and within budget, while creating sustainable value for our clients, employees and communities.

THANK YOU

Thank you for your time.

Delivering integrated mining solutions
and lasting value.
